HMI
INNOVATORS IN GLASS

CAPITAL | *Sliding Shower Doors*

Capital's linear good looks speaks to classic rolling shower door design. As at home in a modern farmhouse as it is in a city dwelling, the Capital's distinct header is the go-to for those who like substance to their shower hardware. Add wall jambs or opt for a streamlined jamb-less version. This popular enclosure is ideal for large, multi-unit projects, while it also graces upscale bathroom designs of all genres.

Finish Options

Matte Black

Chrome

Brushed Nickel
